

## Rules and regulations of Friend of Copernicus Science Centre Programme

**Copernicus Science Centre (further referred to as CSC) is a cultural institution whose mission is to promote personal involvement in cognition and understanding of the world and in taking responsibility for the changes around us.**

### § 1

#### General principles

1. The title of Friend of Copernicus Science Centre can be given to a natural or legal person closely related to the activities of the CSC and willing to support the activities and mission of the CSC by providing the CSC with a financial contribution in the amount depending on the selected package of benefits.
2. Copernicus Science Centre is an institution whose mission can be implemented only in the atmosphere of public trust, therefore only a person whose activities and image are not perceived as controversial in the public eye can become a Friend of Copernicus Science Centre.
3. The amount contributed by the Friend of Copernicus Science Centre will be used for the statutory activity of the CSC.

### § 2

#### Application

1. Those who wish to obtain the title of Friend of Copernicus Science Centre can apply by filling in and sending a form which is available at [www.kopernik.org.pl](http://www.kopernik.org.pl) in "Friend of Copernicus Science Centre" section.
