

RECORDING STUDIO HIRE

Our Recording Studio is located in the impressive and architecturally distinctive Copernican Revolution Laboratory building, part of the Copernicus Science Centre. The venue is situated in the city centre, by the river, in Warsaw's Powiśle district, and is surrounded by greenery. The building is adjacent to the Planetarium, the Powiśle Power Plant and the Vistula boulevards.

Voice-over recording space

We offer professional voice-over recording in a modern studio. Our experienced team ensures the highest sound quality and takes care of every aspect of the technical production.
